

cfg_eeprom_rw

```
graph LR; A[cfg_eeprom_rw] --> B[eeprom_data_valid]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'cfg_eeprom_rw'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'eeprom_data_valid'.

eeprom_data_valid
