

sys_adc_vsys

```
graph LR; A[sys_adc_vsys] --> B[sys_adc_volt]; B --> C[sys_adc_raw];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'sys_adc_vsys'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'sys_adc_volt'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'sys_adc_raw'.
