

test_ioboard

```
graph LR; A[test_ioboard] --> B[scan_i2c_bus]; B --> C[reserved_addr];
```

A flowchart consisting of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'test_ioboard'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'scan_i2c_bus'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is also white with a black border and contains the text 'reserved_addr'.

scan_i2c_bus
